

Final Digital Portfolio • Fall 2017 • Cutler-Lake

We're almost done!

1. YOUR FINAL PROJECTS are due as stated on the online schedules. These are the last times we will meet as a group this semester. Do not forget process books.

Art Seminar: *We'll meet in the S216 classroom at 10:20 a.m. on Monday, December 11th.*

Design III: *We'll meet in the S215 classroom at 9:00 a.m. on Tuesday, December 12th.**

**Design III students: note the later time—use this to sleep in or make yourself a really great breakfast—not to print & assemble/mount your work at the very last minute, ok?*

Projects will be graded and available for pickup at your convenience in the S216 classroom by 4 pm on Thursday, December 14th. Please pick up all work by the end of Winter Interim, or it might be tossed. Don't forget to also pick up your course grade, which will be in a white envelope.

2. DIGITAL PORTFOLIOS COVERING THE ENTIRE SEMESTER OF PROJECTS are due in the digital drop box by 5:00 p.m. on Tuesday, December 12th.

Directions: Submit digital portfolio to drop box first, but if you have issues, you can create a compressed zip file and send to my email address. **All files (except jpegs of finished packaging) must be high-quality PDFs.** Final versions only: do not resubmit process materials. Place your files in a clearly marked file folder named something like *Lastname Design 3*. Label each individual file with your last name and the name of the project (example: lastname_musicposter.pdf).
